

BUILDER *and* ASSOCIATE OF THE YEAR

Each fall, two HBA of F-M members receive its highest honors: the Builder and Associate of the Year awards.
Past winners of these awards can be found on the back.

3. PROFESSIONAL ACCOMPLISHMENTS (20 POINTS)

For business owners, the development of his or her business from beginning to present. For employees of member companies, his/her role in the business and how he/she has developed it from the time started to the present. Also, actions taken to improve upon professionalism and/or role in the trades industry.

4. LOCAL ASSOCIATION ACTIVITY (30 POINTS)

Association offices and committee work, special assignments, membership recruitment, etc.

5. STATE AND NATIONAL ASSOCIATION ACTIVITIES (5 POINTS)

Offices held and committee work, attendance and participation at state and national conventions, director meetings, etc.

Recipients of the Builder & Associate of the Year awards will be chosen by a committee consisting of past winners, board members and HBA of F-M staff. The awards will be presented at the Awards Gala and Annual Meeting on October 26. Local winners go on to represent the HBA of F-M for consideration in the North Dakota Association of Builders' Builder and Associate of the Year awards.

You may return the form itself or send an email with your nominations and reasons directly to kristam@hbafm.com before Aug. 18, 2017.
